Need more time to enjoy the farm? Add on an additional day before your big day. This includes everything in our 1-day package plus:

Table décor set up time with your besties and family – You will have access to the décor shed the entire day!

Barn staff (2-3) to help assist and facilitate a stress-free setup

Have your rehearsal dinner catered right in the barn (Yes, of course, you can choose your own caterer.)

Have smores by our fire pits with your favorite people before the big party the next day!

Hang out with your friends and stay overnight in the grain bin that sleeps 10 with 7 beds

The Complimentary "Slow Down" Day (10am-overnight)

All couples that book the +1 additional day are invited to be our guests the night before. Just the two of you, by yourselves, enjoying each other with no distractions. No besties or family. Just the two of you. Why? Because every couple says, "It went so fast!" This is our fix. Immerse yourselves into the natural prairies of the farm, walk the trails, have a picnic or head to town and experience great restaurants, spas, casinos, and night life. Head back to the farm and sit around the firepits under the stars and retire for the evening in the grain bin. The cost? No worries, this one is on us. So yes, the two day is really three days! Can you imagine!?
